So far, the feedback has been great! The kids are having a blast at the rink!

Return it! Bottle fund

We have now registered an account with Return it Bottle exchange located at 493 Puntledge Rd. Help us continue to fund school events, field trips and equipment to enrich our student's learning experience!

At the drop off kiosk, simply print a sticker using our school's phone number 250-339-3732 and attach to your bag. The depot will count and separate your returns and add the funds to our account.

Thank you for your continued support!

Criminal Record Check

Our school district has requested that all volunteers submit a criminal record in order to volunteer in the school or for school events. This can be done online at no cost to you. Please visit <https://justice.gov.bc.ca/criminalrecordcheck> and fill out the forms.

Our school code is PXAUKNUJ2H

Please do not share this information as it is confidential and specific to the organization you are submitting your request to.

If you can't access the online form, please let the school know and they can send you a paper form that you fill out and return to Tracey Croonen (Principal) at the school office. This form can then be sent in by the school.

Kindergarten registration

This is a reminder that September Kindergarten registration has started. This can be done online on the district and school website.

Next PAC meeting

Our next PAC meeting is scheduled for April 6 at 6:45pm. Stay tuned for whether we will be returning to in person meetings. Otherwise, it will be done online through TEAMS. The link will be emailed out later this month. Now is a good time to in –you don't have to speak or show your face- just join in and listen to what is happening.

Our current treasurer, secretary and safety executives will be leaving us this year 😞

If you are interested in shadowing to take over in the fall, please let us know and come to the next PAC meeting. Duties will include but not limited to imputing spending and fundraising funds, etc. (treasurer), taking notes creating minutes for our meetings (secretary), and collecting emergency forms and checking on emergency stock for our seacan (safety)
