Trustee's Report: Janice Caton

- Earthquake sea can: Schools have been responsible. Doesn't state in any agreement or policy that the DPAC took care of it. It was a school PAC decision to fill. It may need to be in the budget process for taking care of that. Might need to be a vote. There are limited budget and resources for that money.
- Application for Gaming Grant will be filed in spring.
- Budget for upcoming school year / DPAC working on the Budget.
- Strategic plan: Academic Education, Indigenous Education, Health Education and Environmental Education. Our district will look at what our schools priorities and needs are(focused) when helping/funding with changes.

Financial Report:

Treasurer:

Plan for Gaming Grant -Things it can be used towards as follows:

- Field trips within B.C.
- Presentations or performances (e.g. music, theatre, science, etc.).
- PAC school spirit and family engagement events (e.g. school carnivals, movie nights, school dances, other social activities).

- Entertainment or leisure activities for non-instructional times (e.g. graphic novels/comics, magazines, extracurricular fiction and non-fiction books, board games, colouring books, etc.).
- Beautification for common spaces, such as hallways, library, multi-purpose room, etc. (e.g. art, posters, “sensory paths,” holiday decorations, etc.).
- Student publications (e.g. newsletters, yearbooks, etc.).
- Student competitions (e.g. writing, debating, chess, music, etc.).
- Student computers for extracurricular activities/clubs (e.g. software, hardware, accessories for photography club, robotics club, yearbook club, etc.).
- Student clubs or societies (e.g. drama club, chess club, etc.).
- Student ceremonies (e.g. graduation, dry grad, etc.).
- Team or club uniforms (e.g. jerseys, t-shirts, etc.) and/or equipment for extracurricular activities.
- Equipment for extracurricular sports.
- Items that directly benefit students (e.g. playground equipment or enhancements, projector for PAC events, etc.).
- Student recognition (e.g. certificates, trophies, ribbons, graduation memorabilia, etc.).
- Student conferences within B.C.
- British Columbia Confederation of Parent Advisory Councils (BCCPAC) annual membership fees.
- Fees or travel/accommodation costs incurred to travel to the BCCPAC annual conference, up to Branch limits.
- Emergency, safety or earthquake related supplies or equipment that is not ordinarily the responsibility of the school/school district.
- Scholarships and bursaries for post-secondary education

I know some of the parents were saying that the Track and Field Jerseys are too large for some of the younger kids, so perhaps we could use some of the funds for that.

- Parents can weigh in on what they think could be best. Maybe a social poll on FB pages to help see where it would be best used from the parents’ point of view.
- Balance is healthy.

DPAC Report: Emily

- Earthquake container situation to be brought forward to ask if the DPAC could find it in the budget to be paid for.
- Meeting to be on Monday Feb 6th.
- Active Travel plan, planning.

Safety Report:

- Earthquake sea can will be filled by asking parents for donations of water and granola bars. Then items will be used on beach day or end of the year fun day. Will take this into the following year to start at the beginning of the year unless paid for by DPAC. Donations will be asked and then filled by us to meet required amount.

- March hot lunch to add a sushi option.
- Joanna to answer emails Monday/Friday with partnership form Marc.

Kailey does send "please remember to pay" emails.
