Hello everyone,

So nice to see some sun. Those were some wet recesses. Thanks for sending good rain gear because the students sure don't seem to mind being out there in the rain.

We had half of our Intermediate team go to Horne Lake Caves on Friday and it sounds like they had an awesome time. The other half gets to go on Monday.

We also had our first Rotary Funded Soup and Salad bar this week and it was very delicious.

Just a reminder to check your child in, or a reminder to ask your child to check in at the office if they are late.

Finally, we have our last Cross-Country run at Brooklyn Elementary this Wednesday. Thank you to Ms. Cudmore and Ms. Kerr for the practices and the driving and for providing this experience 😊

Reminders

Three virtual erase learning sessions for families will be held on November 8, 28, and 30, focusing on establishing safe, caring, and respectful digital communities. These online sessions are best suited for families and youth aged 10 and above.

Family Session: Establishing Safe, Caring, & Respectful Digital Communities – Everyone Welcome!

Details: Recommended for Parents/Caregivers/Grandparents and youth aged 10 and up as a way to facilitate the conversation of safe and caring use of technology at home and in the community. This session covers all things digital, from how to be a good digital citizen, the criminal consequences of cyberbullying, and how to report and receive support in cases of sexting/sextortion. Some of the most prominent concerns currently surrounding use of social media platforms, smartphones, and artificial intelligence will be discussed.
