Hello everyone,

What a great day it turned out to be. However, it was pretty darn cold this morning. Many kids are learning that those thin fluffy mittens just don't make very warm gloves. I am learning that our kids just don't seem to mind going out in the rain. They also don't mind falling in puddles. What they do mind is sitting in those

clothes the rest of the day. If you know that I am speaking about your child 😊 please consider sending them with a back up set of clothes in their backpack. It would certainly save us a few calls home.

Parking at Church and Crosswalk– It has been pretty messy in the Church parking lot on Wheelie Wednesdays mornings. I will try and send some traffic directors over there but I also ask that you go slow and keep your heads up. Please remember that it is a one-way parking lot where you enter off Lake Trail Road and exit off Webb Rd. We have also had some near misses with our crossing guards. As it gets darker in the mornings please be careful taking that right hand turn up Lake Trail from Webb.

Check in at office – We have lots of kids sneaking past Laura-Lee in the morning if they are late. Please remind them to check in at the office.

Warm Boots and Shoes – Ms. Phye – If your child is in need of Winter boots or outdoor shoes please feel free to come in with them or tell them to come see Ms. Phye or Mr. Ferneyhough and we will see if we have some nice fitting footwear for them.

Halloween – We will do our annual Halloween parade around the school on October 31st. It is pretty standard practice these days that students do not bring costume weapons to school. Let's save those for the evening out. Also, we typically pack things back in their bags by recess so that they don't get wrecked or dirty for that night.
