Hello everyone,

What a wet day! We still got them outside though, just so you know what it takes for us to keep them indoors 😊

Many of you should have some good conversations about recycling this weekend. We had Tina Willard-Stepan from the CVRD in today and I learn something everytime I watch her lay a big bag of garbage out on her tarp and sort through it. I was a bit perplexed by the whole Cumberland donut??

We had a great Cross-Country run at Airport this week. Our last run is at Huband next week. Ms. Kerr is unable to make this one, so any parents that have been driving, we could really use you one last time:)

Please note in the Calendar above that there is a PAC meeting on Monday, Bonanza is on Tuesday, and there is a ProD day (No School) on Friday.

IF you are coming here to vote tomorrow, the entrance is around the back gym door. Happy Voting!!

Just a quick reminder that if you are not sure when a field trip is or where a Cross Country Run is taking place, that this calendar is a good thing to reference.

Our resident Elder, Kookum Sheila, will be in a production this Friday evening 6:30-8:30 p.m. at the theatre at North Island College. See picture below.

She wanted us to share this information with our school community.

The process for boundary catchment adjustments for **Airport, Aspen Park, Brooklyn and Valley View** is open as of this morning. Here is a link to the catchment website.
