Hello everyone,

I can't believe we are here already. And then it is just a short jaunt to the end of the year...crazy!

It sounds like the Grade five B-ball team had a great time down at Lake Trail this week. Division 5 also had a great trip to the MARS rescue society.

It is pretty quiet when we get back other than that we have the gymnastics equipment. You could certainly prep your child(ren) on the importance of removing socks and having bare feet on the equipment. This often comes as a surprise and can be difficult for some.

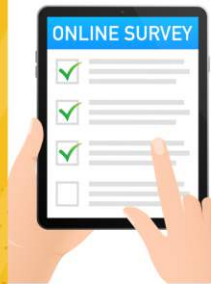

Also when we come back, I will start to share out some of the dates for the Grade 5 transition events with Lake Trail. We will have their teachers come here, our kids go there, and you will be invited to the Lake Trail fun Fair. More to come.

I really can't think of anything else to say other than it is a pleasure working with you all and that I hope you and your families have a fun and restful holiday break.
