April 29 – Class Photos

Hello everyone,

I always know it is officially Springtime when kids start bringing in their baseball gloves and I get to teach them how to not hit each other with a bat. So far so good:)

We had an amazing Hula Hoop artist join us on Tuesday morning. I honestly had to do some double takes to make sure that she was actually doing what she was doing:) Amanda Panda then worked with each of the classes individually on their hooping skills.

We also had two very successful Welcome to Kindergarten nighttime events this week. Thank you to the Kindergarten team, as well as many other staff members for their dedication and efforts with these events. It is always so great to see our young new faces and personalities.

Elections Canada

Just a reminder that on Monday we have the Elections being held in our gym. Entrance will be at the back of the school through the gym. Wheelchair access only will be through our front doors. We will have some extra supervision out on duty in the morning and after school keeping an eye on our busyness.

I just wanted to show off the wonderful work being done by Ms. G. in our breakroom. This room has become quite the talk of the town and is being replicated by other schools around the district.

Supporting Families in the Comox Valley – Meet YANA

With so many new families settling in the Comox Valley, we want to help spread the word about a local charity doing incredible work. **YANA (You Are Not Alone)** provides travel and accommodation support to families who need to leave the Valley for medical treatment for a child or expectant mother. Please take a moment to visit www.yanacomoxvalley.com to learn more about how they can help – or how you can support them. No one should face medical challenges alone.

YANA is a community organization that provides financial support and accommodation to Comox Valley families who need to travel for medical treatment for a child or for a pregnant mother.
