Happy Friday everyone,

Man...that was a lot of water this morning. I don't think I have seen the field quite that soaked before.

This week was pretty quiet in terms of activities. We did have our first 'Lock Down' drill of the year today and it seemed to go very well. You may want to ask your child if they know what a lock-down drill is for and how that felt for them today. My words on the announcements were that "lockdowns occur when there is someone in the building causing serious trouble and we want to keep away from that person".

Next week we have our Grade 5's heading up the hill for some Cross-Country skiing...we hope.

Please don't forget that we have a PAC meeting coming up on Feb. 9th at 6:30pm.

I think that's all for now:)

Have a wonderful weekend,
Mr. F
