Happy Friday everyone,

What a great week back. I could swear that people are just in better moods (meaning the kids, but it probably applies to us as well) when the sun is shining. I am very proud of many of our Intermediates for becoming much better at playing unorganized (organized) sports during our recess blocks. There is way less arguing and much more inclusion of younger students than I have seen in my time here at Arden.

With the nice weather, brings the comeback of 'Wheelie Wednesday'. You should receive a separate email from myself or the team shortly as I hear we may be starting up this coming Wednesday.

We have two excellent 'Welcome to Kindergarten' events this week...always a fun time of year:)

I can't think of anything else so I guess that means I should get to my deck:)

Have a wonderful weekend everyone,
Mr. F
