Good Afternoon Arden Families,

We have a couple more field trips next week, as you can see above. Please have a close look as to what applies to you.

Oh man...those meatball sandwiches were awesome today Ms. Mann. Can we put those on the

Students recently had the opportunity to visit Miracle Beach and Kye Bay on field trips, and they did a fantastic job representing our school community. They were respectful while visiting public spaces, with other schools, and animals, and consistently showed **the Arden Way** throughout the trips. Well done, everyone!

Our **Lost and Found** is once again on display and is looking forward to being reunited with its owners! We have quite a collection of t-shirts, hoodies, jackets, water bottles, and other items that would love to make their way back home. Please take a moment to come by and have a look through before everything is **packed up and removed at the end of the day on Thursday, June 25**. Anything unclaimed after that time will be donated.

It seems early, but if you are looking for information about school supplies for next year, please visit our website for details here: [School Supplies Info](#). More information regarding school supplies and classroom specifics will be shared with families, so please watch for updates in the coming months.

It looks like it is going to be a hot one next week. Please try to make sure they have their water bottles and hats.

Have a great weekend everyone!

Andrew
