School Boundary Feedback!

A friendly reminder that the feedback portal for the proposed boundary catchment update for our school is open for more week until November 8.

These changes will apply to future students enrolling in our school. Please note that siblings will be allowed to remain together.

Much more information about the proposed changes and opportunities to provide feedback can be found here: [Catchment Updates - Comox Valley Schools](#)

It's important for Trustees to hear your comments, questions or concerns.
