HELP!!

**CONCESSIONS STAND
VOLUNTEERS NEEDED**

Walk, bike or roll to school!

Now that the warm weather is here we are encouraging students to walk, bike or roll to school. This is a great way to help students wake up their brain and get their wiggles out before arriving to school. It is also wonderful for mental and physical health, better for the environment and reduces the traffic around the school. It's a win, win!

International student home stay families NEEDED

SD71's cultural exchange initiative continues to thrive with students coming from over 24 countries this past year alone. Hosting one of these students offers families a culturally rewarding experience, supported by dedicated ISP staff. This program welcomes all kinds of households including families with children or empty nesters. For more info and honorarium amount please reach out to younhee.edmonds@sd71.bc.ca
