Updates:

This was a fun week! Door decorating and caroling throughout the school happened today. Everyone Deserves a Smile wrapped up and our hampers were full, thank you to all the families that supported and thank you to Mrs Vlahovik for supporting us with this an amazing cause. As well, thank you to students and families for filling the classroom hamper and supporting families this winter season.

We will have our final Brooklyn Way Assembly on Monday, starting around 12:20pm. Mrs Nelson's class will be performing the marimba's as we enter, and our choir will be performing two songs. The choir will also kick off our fun assembly next Friday at 2pm with their other two songs! Just a reminder that students will go outside on rainy days and we will continue our growth about fair and kind play outside in the outdoor learning classroom. Please expect report cards this week, unless your teacher is communicating student learning through portfolios; in which case you will review these in Nov, Feb and June.

Guiding Stars - this weeks numeracy and literacy prompts

Literacy: Use magnetic poetry to play with words and sentences!

Numeracy: Analyze sports: counting scores, comparing team placements, looking at stats

Also, please check out the [SD71 HUB](#) for additional learning resources.
