### **Hello families**

Our students loved their time in the forest this week, everyone has an opportunity each day, and they have been exhibiting safe and positive play. We will continue to support the primary students at first recess and intermediate at second recess - with a bit of wiggle room of course.

We have fish eggs at Brooklyn, big thanks to Mrs. Roberts for having them in her classroom. We are keeping a close eye on them and hopefully we'll see them swimming in the tank very soon. The annual PAC Book Swap will be happening Jan 23rd, no donation of books is too big or too small! Drop off in foyer any time ☺ It's "Blue Monday" on Mon Jan 19th, we are encouraging everyone to wear bright colours to school ❤ The Big 5+1 is attached, this is a resources available for those who wish to have more information and supportive strategies.

## Student Pick-up (during the school day)

All parents and/or guardians picking up a student during the school day **MUST** report directly to the office - no options. Our office admin will connect with the classroom teacher and collect the student for you. The student will meet the parent at the main office. Parent will sign the student out prior to leaving the school grounds.

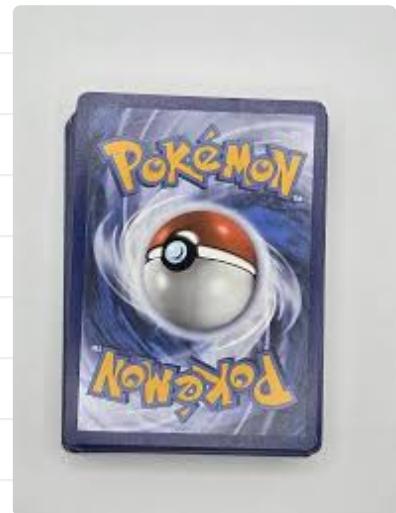

\*Even if you have called ahead and your child is prepared and waiting for you, **YOU MUST** still sign them out and connect with office admin.

We appreciate all of your support in keep your child safe at school.

## Pokemon & Selling Toys

We are encouraging students who wish to sell or trade their toys, to please do so before or after school with parent support.

Pokemon - we have several students bringing their binders or stacks of Pokemon cards to school, we encourage showcasing and play, but no trades at school. Trading often results in tears due to mistake trades, pressure trades or other. Thank you for your support!

## Guiding Stars - this weeks numeracy and literacy prompts

**Literacy:** Play "Would you Rather" and explain your choices

**Numeracy:** Go shopping together, round up prices to the nearest dollar and add them up!

## Sports:

Lots of practices for all this week with a Gr 7 boys pre-season game happening today after school! Regular season games get underway next week. Please make sure your child's permission slip has been submitted, we don't anyone to miss out on the fun! Big thanks to all our coaches and teacher chaperones for supporting students with their extracurriculars!

## Late French Immersion - SD71 (Puntledge)

École Puntledge Park is pleased to host an information session for families interested in our Late French Immersion (LFI) program on Thursday, January 22, from 6:00–7:00 p.m. in the library. This

session will provide an overview of the LFI program, highlight what makes it a great option for students, and offer families an opportunity to ask questions and learn more about the transition into Late French Immersion.
