Principal's Message

Hello families

We kicked off Black History Month with some swinging tunes and new faces. Students have been able to review our influential figure each day as they enter the foyer, along with other influential hero's upstairs in the hall.

We made a slight adjustment this week and brought back our washroom passes, which seems to have made the washrooms more readily available for all students. Big thank you to our staff and

students for adjusting so quickly and respecting everyone.

Next week students will see another change, instead of having equipment floating around classrooms or hallways, or accidentally being left outside, we will bring the equipment bin to them.

We will have our leaders bring the equipment bin outside the gym doors and students can sign equipment out. This will allow for easy access, ensure equipment is kept in good repair, and ensure we collect all the equipment for long term use.

Guiding Stars - this weeks numeracy and literacy prompts

Literacy: It's almost kindness week, can you find a book at home about kindness?

Numeracy: Take the day to count how many kind actions and words you see at home and in the community. Is that number even or odd, single digit or double digit, is it a multiple of another number?

Safety - indoor shoes

Just wanted to remind students and families that it is part of our Code of Conduct - for student safety - to have indoor shoes. We want to ensure our classroom spaces are clean and clear of water/mud, we'd hate for a slip and fall. As well, we do all we can to make our shared sitting and collaborating spaces clean of mud and water. Also, in our athletic spaces, we want to ensure students are free from slips and falls, and we want them to participate. Students in boots and crocs are not set up for success, and we want them to be, we want everyone to participate and have fun in a safe way. If there are any concerns or hardships, please let Tanya.Larkin@sd71.bc.ca know and we'll make sure your child has what they need, we are an inclusive and caring school!

Sports

- Any grade 6/7 students interested in learning to umpire, please see Mr Moore or email ncmoore4@shaw.ca - great opportunity to learn and make money.

- Basketball this week was amazing, all the teams are improving quickly, our Gr 7 boys team is collecting some "W's" and our other teams are seeing success with dribbling, movement off the ball and strong defence.

- Our Gr 6 girls game is cancelled this coming Monday and will be rescheduled for Mon March 2.

-Brooklyn will host "Rapid Rugby" for Gr 3-7 students on March 4th - an amazing opportunity for students to learn the basics of rugby.
