Hello families

Valentines Day at Brooklyn was fun, lots of kindness and appreciation for one another. Recesses have been amazing!! We have a new equipment sign out system, which means we have way more equipment out on the field. We are seeing more students playing soccer, we even brought out a second soccer net. As well, the basketball court is packed, there has been co-ed

baseball each recess all week, and there is a lot of creative play with skipping ropes, bean bags, frisbee's.

Earlier this week we saw some tree damage in the outdoor forest, so we reminded students that the outdoor forest is an extension of our classrooms and we need to treat it respectfully.

We had engineers onsite this Wednesday, you may have seen them marking the concrete and field. They are planning for our basketball court up upgrade, which will get under way this summer, thanks to the Brooklyn PAC for all their hard work and dedication on this! The basketball court upgrade will make a huge difference for our students and the community.

Next week we will celebrate Kindness Week, we have some secret plans for each day, with a Kindness + Pink Shirt Day assembly on Thursday.

Guiding Stars - this weeks numeracy and literacy prompts

Literacy: It's almost kindness week, can you find a book at home about kindness?

Numeracy: Take the day to count how many kind actions and words you see at home and in the community. Is that number even or odd, single digit or double digit, is it a multiple of another number?

Sports

- The Gr 6 girls game was cancelled but the Gr 6 boys almost won, great game!! Lots of improved play.
- Gr 7 girls and boys basketball teams both had tough games against Cumberland, they were defeated but both teams battled to the end.
- Brooklyn will host lacrosse Feb 20th and Rapid Rugby for Gr 3-7 students on March 4th - amazing opportunities for students to learn the basics.
