Hello Families

This week was full of adventures as we hit the beach for our annual beach day on Wednesday. We had students building wood forts, playing baseball, playing spike ball and much more. Students were also busy building castles and simply enjoying one another in the tidal pools.

On Thursday our grade 6's hosted Fun Day, students engaged in fun mini games for the morning - thank you grade 6 students and teachers.

Today we celebrated Indigenous Peoples Day, all students participated in a morning full of traditional games. Thank you to our teachers, especially Mrs. Radawiec, for arranging and supporting this fabulous and memorable morning.

Our grade 7's seem to be enjoying themselves in Powell River at the OLC, can't wait to hear more stories when they are back with us on Monday. Big thank you to Mrs. Fournier, Mr. Moore, Mrs. Rachelle, Mrs. Hagen, and our ROCK STAR parent chaperones for supporting this adventure. We have one more week left and so much more fun to have!

Quick reminder: Thur June 25th is our last day, students are dismissed at 11:45pm.

Summer Garden - Watering Schedule

As many of you know, the Brooklyn garden may need some support this summer. Mrs Roberts has created a lovely schedule for any who have the time and ability to volunteer in July and/or August.
