## **Hello families**

Big thank you to all our students and staff for **working collectively on Tuesday May 26th** to minimize our school waste and water usage. I was proud of all our classes for transitioning from

our multi stall washrooms and sinks to our single use stalls with hand sanitizer. Everyone was respectful and responsible - appreciated everyone's efforts and supports!

**Grade 7 Careers event** was amazing on Tuesday May 26th, students engaged in a variety of hands on learning such as roofing, metal work, baking, wood art, and much more! We look forward to having the Careers team back again next year to support our current grade 6 cohort. June is building up to be a busy month, please have a read below for more information.

## Sports

🏆 Brooklyn grade 6/7 ultimate team had their first league game of 2025-2026 against Puntledge this week. Our team learned a lot about movement off the frisbee and supporting on defence. We won our last game against Arden, well done Brooklyn. The following two games will be home games at Brooklyn: June 3 & June 10th, come watch if you are around!

## Music Lessons - financial support Incl.

🎵🎸🎹 A previous Brooklyn student is starting a not for profit organization to help students that are interested in learning to play instruments have the opportunity. If this is something that may interest your child, please connect with Otto Titter to find out more. Info sheet attached.

🚲 Only 3 bike bus Fridays left - June 19 is our last ride ☀️

## Gr 7 Night - Highland

Grade 7 families, please mark your calendars for the **Grade 8 Orientation at Highland Secondary**. We encourage both parents and students to attend. It will take place on **June 16th, from 6:30-7:30** starting with an information session in the gym. Students will be invited to do a scavenger hunt with current Highland students to help orient themselves on site. It will end with a treat in the Multipurpose Room.

## Volleyball Opportunity

Highland Senior Boys Volleyball team is running a three session youth volleyball clinic June 15th, 17th and 22nd for students in grades 5-7. Please see attached flier for more information.

## E Motor Bikes - school property

Comox Valley RCMP is reminding families that gas-powered dirt bikes and high-powered e-dirt bikes are not street legal and are not permitted on school grounds or for travel to and from school.

Schools across the Comox Valley have seen an increase in students riding these vehicles in unsafe ways near schools, neighbourhoods, roads and pathways. In some cases, students may not realize that e-dirt bikes are treated similarly to gas-powered dirt bikes under the BC Motor Vehicle Act and are subject to significant fines, vehicle impoundment and other penalties.

Comox Valley Schools is asking parents and caregivers to please ensure children are not riding dirt bikes or e-dirt bikes to school or on school property. These vehicles create serious safety concerns for riders, pedestrians, cyclists and other students.

We appreciate families working with us and local RCMP to help keep school communities safe for everyone.
