BROOKLYN BROADCAST

Brooklyn Bears 2026-2027 Gila'kasla

Welcome Gila'kasla

The assembly today was fun, we played many games, had the costume walk, handed out the Tidy Cup to Mrs. Wilson's class, and celebrated students with the picture slide show! Thank you to all the students who showed and "ROCKED" those amazing costumes (big thanks to all the parents for supporting costumes).

The final cross country race was on Wednesday, congrats to all our participants and thank you again to all the families for supporting throughout the race and driving to the events. Our next sport is volleyball! The season begins for grade 7's on Nov 4th, and the grade 6's have started practice. There is no formal league for grade 6, but we plan to organize a play day or two with other schools.

As we look ahead at next week, just hoping we could have a bit of support with candy consumption during school hours. More specifically, we'd love your support with moderation, maybe a few candies in the lunch each day versus the whole load 😬 Appreciate it!

Accessible Trick - O - Treating

The neighbourhood of Ridgemount Drive/Moralee Drive in Comox is putting on their 4th annual Accessible Hallowe'en, complete with street-level Trick-or-Treating, minimization of noisy and scary decorations, and free hot dogs. Linked here is a sample accessibility lesson to incorporate into Hallowe'en fun.

Parking at Brooklyn

Just wanted to ensure everyone knew about our "Stop & Go" parking at Brooklyn. The zone at the front of the school that has diagonal yellow lines - next to side walk - is for quick and easy drop and go, or quick pick up and go purposes. We recognize that Brooklyn has limited parking, but we hope that families access long term parking out front, staff parking areas or neighbouring areas as needed. We want to ensure all students and families feel safe and have access to quick and safe drop off or pick up zones.
We have added our reminder signage - cones and signs - in order to assist.
Again, we appreciate everyone's support in keeping students safe.
