

# Felt Fish

## Felt Fish Craft Instructions

Step 1: Trace & Cut 

 Use the fish stencil to trace 2 fish shapes on felt

 Cut them out and set them aside

Step 2: Pin & Stitch 

 Pin the two fish pieces together

 Start at the nose and use a blanket stitch around the edge

(Ask for help if needed!)

Step 3: Stuff the Fish 

 When you reach the tail, begin adding poly-fill

 Use a pencil to push it in

 Leave a small gap, finish stuffing, then sew it closed

Step 4: Decorate Your Fish 

 Cut out shapes (dots, zigzags, etc.) and glue them on

 Add a googly eye

 Draw a smile with a Sharpie

 Want to hang it? Add a ribbon on the back!
