A photograph of four young children standing in a line against a grey wall. From left to right: a child in a grey hoodie and red vest; a child in a blue shirt, orange scarf, and red vest; a child wearing a black baseball cap, a black face mask, a black jacket, and holding a red bag; and a child in a black jacket with a green logo and grey pants. They are all wearing boots. The photo is framed with a black border and a drop shadow. The background of the entire slide features a stylized illustration of a playground with a slide, a flagpole, and trees in shades of green and yellow.

I stay within  
our school  
boundaries.

I play tag in  
my zone.

I line up at my spot with my class  
when the bell goes.

**I use kind words to solve problems.**

I'm sorry. I didn't  
mean to hurt you. I'll  
be careful next time.

**I look for ways to include others.**

**I ask for help when I need it.**

**We take turns and share equipment.**

**I put equipment away when I am done.**

I help others.

**I use kind  
words.**

**Want to play  
with me?**

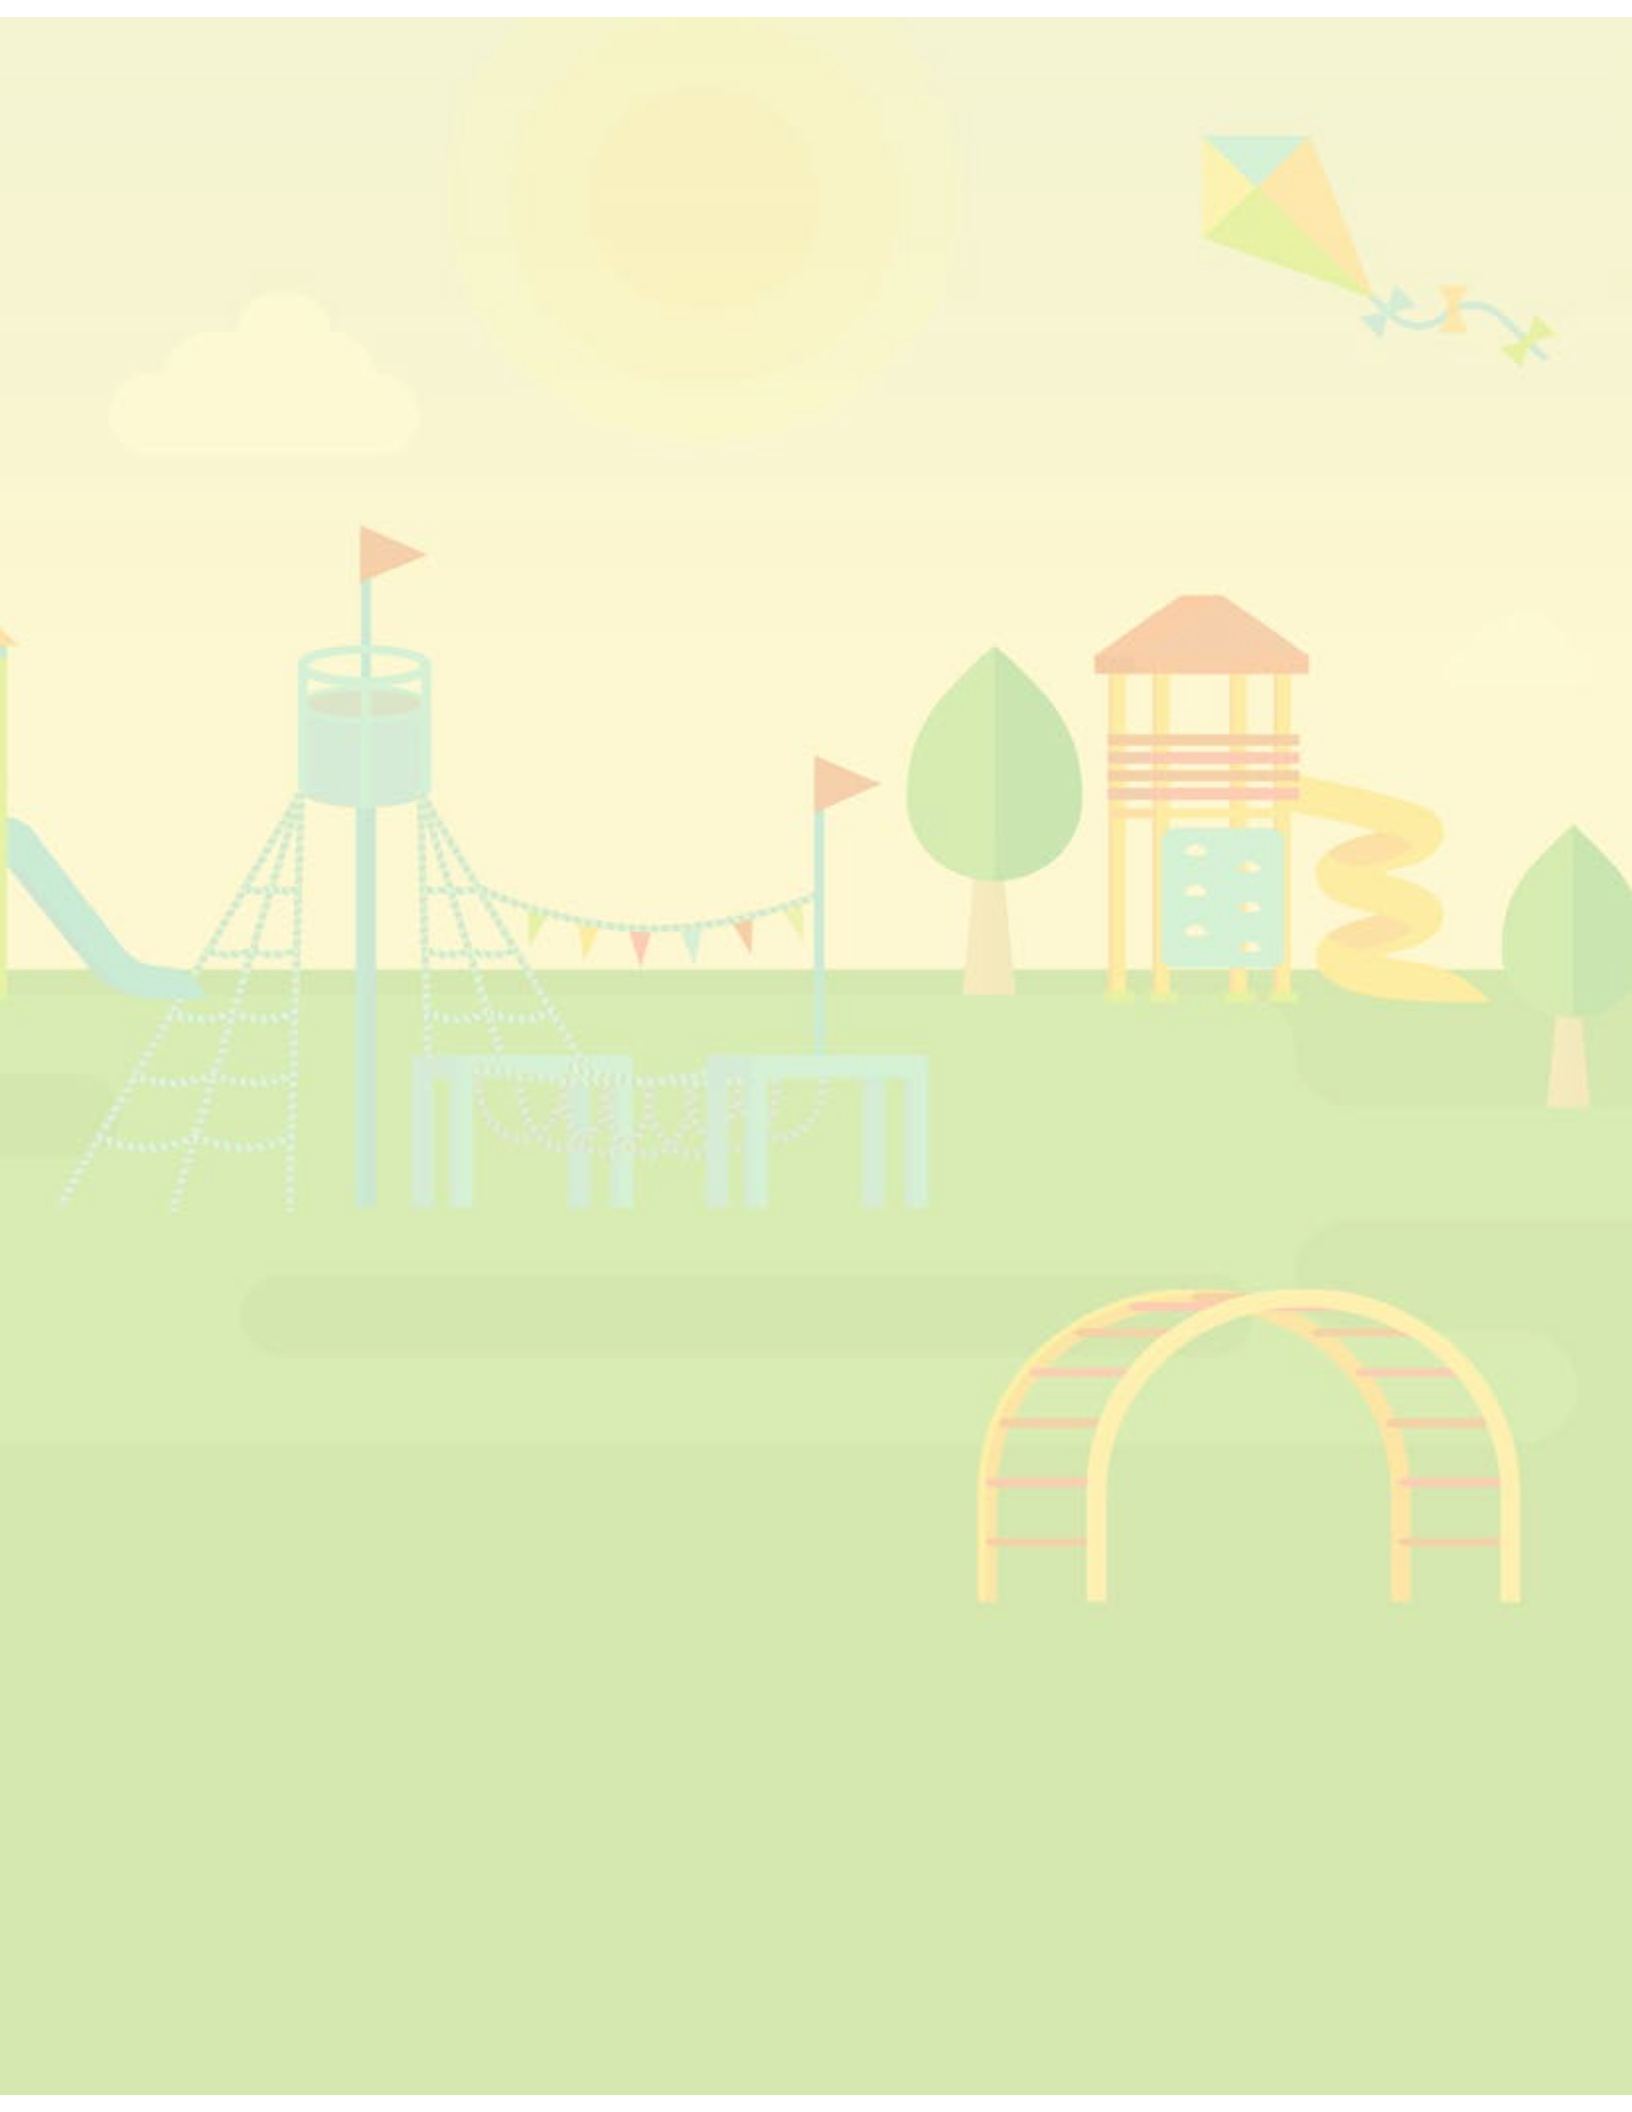

**I encourage  
others.**

**Way to go!  
You did it!**

**We have fun!**
