

The Courtenay Way

Bathroom Behaviour

I wait my turn quietly in the hall
outside the bathroom.

**I do my business in the toilet and
flush when I am done.**

I wash my hands with soap and water.

I put paper towels in the garbage.

I give others privacy.

**I am quick and quiet so that others
can have a turn. I use a very quiet
voice and I walk quietly too.**

I keep the bathroom clean.

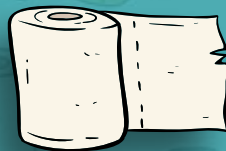

I tell an adult if there's a problem.

**I am learning how to OWN IT when
I use the bathroom at Courtenay
Elementary.**
