

Good afternoon CCS community!

Fall has certainly arrived with a vengeance, but it hasn't slowed us down here at the school. Up first, as always, is the latest installment of the "CCS Spotlight". For those who read my Truth and Reconciliation email from earlier this week and want to see/hear what our T&C ceremonies looked like at the school, you can find it here (on the Spotlight):

["CCS Spotlight" for Friday, October 3, 2025](#)

And for those just wanting a quick snapshot of the upcoming week(s):

- Next week our grade 7-9 students will be starting exploratory classes. If you have a grade 7-9 student who hasn't submitted their exploratory sheet yet, please encourage them to submit it ASAP. On Wednesday we sent an email home to all Division 20-30 families with a copy of the Exploratory selection sheet.
- Next week's grade 4-7 (elementary) cross-country run is taking place at Huband Elementary. Families with cross-country runners should have been provided details for the run.
- [Congratulations](#) to the winners of the CCS Bookmark Contest. The bookmarks will be sent to the print shop and delivered to classes when ready. All original entries will be returned to students. Thank you to everyone who participated. The winners for each grade are:
