

Morning Families,

I hope all is well after this past weekend's weather events! We played it safe here at the school and cancelled the walk to the beach and had one inside recess yesterday. The students were content as we worked on some fun Halloween activities.

I have a couple of quick reminders for the week. Today is the PAC AGM at 4pm in the Library. We have childcare and snacks. From the PAC: This is our AGM so we will be having an election of officers. Don't worry, we won't make you take on a role you don't want! :) The agenda is below.

Haunted Veggie Village guests can start coming to the school any time. The haunted veggie village is where students and families are invited to create a creepy or silly veggie or fruit creature to display as part of our Halloween activities this week. I have shoe boxes in front of the school if students would also like to create a home for their creature. Creatures can be brought to the school any time this week and will be put on display in each class window.

Friday is also our Halloween dress up day. We will have a parade outside the school weather permitting, and it will be in the gym if it is raining. Parents are invited to attend following the school health protocols please.

School supply fees are due now. The fees are \$40 per student and can be paid through etransfer, cash or cheque. Etransfer to: denman@sd71.bc.ca

We ask for the parent to indicate the following on the comment/description box: Name of student, Purpose of payment - No need for a question/answer

This week's salad bar is a baked potato bar. As usual there will be a variety of healthy regular, vegetarian and vegan options for students to choose from. Please send your child with a plate and cutlery.

I hope to see you at the AGM!
Have a great day!
Yolanda Lehton, Vice-Principal
