

Week at a Glance Sunday, June 12th, 2022

Hi Families,

I am looking forward to seeing many families sharing in their student's learning journey this week at the student-led conferences on Wednesday. At the conferences, students will lead you through some of the learning activities that they do daily in their classrooms. They will use their eportfolios, scrapbooks, binders and workbooks to guide you through their learning journey. Families are encouraged to observe their child's progress and engage them in a discussion of their goals and achievements. This structure is intended to build the student's sense of responsibility and accountability for their own learning. Teachers will be there to assist with technology, observe interactions, comment, discuss strategies and offer suggestions. I am looking forward to hearing any feedback from the event as well.

The school photos proofs are in, and they look amazing! We will be making prints on Friday. If you intend on purchasing a copy of the whole school photo, please make sure your order and money is to Isabel at the office by Friday, June 17th. Please email the office denman@sd71.bc.ca and either etransfer \$5 or send it with your student.

Tribune Bay Outdoor Education Center is going to be such a nice reward after the crunch of conferences. Please make sure to check the weather forecast and pack accordingly. Students will need a big lunch and snacks for such a busy day away. It is also optional to send along some beach toys for the K-3 group.

If you haven't already, please inform the office as soon as possible if you are planning on moving schools or not returning next year.

Have a fabulous week!

Yolanda Lehton, Vice-Principal

Upcoming Events
