

Week At A Glance May 14, 2023

Hi Denman Families,

What an awesome Jungle Book Musical presentation! The students, staff and school community came together and put on a stellar show in only one month! Huge appreciation for all the community help with make-up, costumes, baking and donating towards future productions! We are all very proud to be a part of this amazing production and fabulous community. Well done Team Denman!

The Arts Center Denman School Student Art show will be held on Friday, May 19 -Tuesday May 23rd. The students will walk over with their classes to the Arts Center on the afternoon of May 19th to view the exhibit before it opens to the public. Saturday, May 20th will be the opening day for community members to view the exhibit and there will be refreshments provided. The Arts Center will be open from 12-4 for viewing daily.

Salad bar this week is going to be a lovely red lentil, carrot coconut soup and delicious fresh salad bar. We are looking towards the end of the year to fill some of our special lunch days such as Wednesday, June 14th when we host Hornby School and Friday, June 23rd when we have a fun day at Elkhaven. If you are available to volunteer for either of these dates, please email me or the office. Thanks

Garden Collaborative: It is too hot to be working in the garden at the height of the day this week. I am hoping to get a couple things done in the morning tomorrow with Div.2 before it gets too hot. We are preparing the Three Sister's Garden this week for planting next Wednesday which should be a bit cooler. We will resume the garden party work next Wednesday afternoon from 1-3:30pm.

Happy Spring!

Yolanda Lehton, Vice-Principal
