

Week At A Glance October 2, 2022

Dear Parents and Guardians,

Last week was a busy one! Thank-you for coming to the open house on Wednesday, it was a great turnout and fun to see students tour their families around their classrooms.

Orange shirt week and our Indigenous Focus Learning Day was full of Indigenous lessons, reflections, gratitude and sharing food together. I walked into the classrooms at various times throughout the week and I heard orange shirt day stories being told, students and teachers having thoughtful discussions about residential school life, and activities that are fostering truth and reconciliation through our classrooms. We would like to send out a huge Gilakas'la to Heather Royal Brant who gives our students beautiful guidance with her cultural presentations at this time and throughout the year. Gilakas'la!

We are \$33 short of our Terry Fox fundraising goal of \$200. If you forgot to donate or would like to add another loonie, we will do a final count on Friday. Thank-you to all who have donated and all the kids who donated their own money as well. Fabulous effort!

Salad Bar

This week we are having a fall favourite soup: Minestrone. Mark your calendars, you don't need to make a lunch on Thursdays. We have no less than 15 different options for students to choose and many are coming back for seconds!

PAC

We will be sending out an email to all who have volunteered for the PAC this year. I will share the date and time on the next WAG so if you would like to join, you are always welcome.
