

Week At A Glance September 25, 2022

Dear Parents and Guardians,

Awesome! and Inspiring! Our students gave a huge effort on Friday at the Terry Fox Run. Many students kept running all the way through their lunch playtime with some young ones running the chip trail over 9 laps and the older students more than 14 laps! Students received a bead for every lap and hopefully they showed you their great collections. I couldn't be more proud of the amazing effort! Well done. We have raised \$135 of our \$200 goal. We will collect money all this week so please send in your donation; it is not too late!

Wear Orange Week in support of the National Day for Truth and Reconciliation on Friday, Sept 30th. Students and staff are encouraged to wear orange every day this week. We are encouraging students to get creative with their orange and wear anything from orange ribbons, orange socks to orange shirts and whole outfits. Orange is important on this week to pay tribute to Indian Residential School student Phyllis Webstad who had her new shiny orange shirt taken away when she went to residential school. *September 30th is annually recognized as Orange Shirt Day, highlighting the damage the residential school system did to the well-being of Indigenous children. Equally, it serves as a healing journey for the survivors and a commitment by all who wear an orange shirt, that every child matters. (BC Achievement Foundation)* Thank-you for your support
