

Week At A Glance December 4, 2022

Dear Parents and Guardians,

This Wednesday evening is our school winter full moon concert event. The doors open at 6:00pm and the concert starts at 6:30. Students should be in their classes by 6:15 to meet with their teacher and prepare for the performance. All the students have an important role to play in the performance, please email me asap if they are not able to attend. The concert will be approximately 30minutes long and then we will enjoy some snacks and refreshments followed by a self-guided lantern walk on the chip trail to view the full moon. We hope you can join us for this beautiful winter event.

Denman School Library Open House

To celebrate this new community offering, we are hosting an open house in the library this Friday, Dec 9th from 10-11am. Families are welcome to come in and look around, register for a card, sign out books and enjoy some refreshments. Please pass this event on to your friends, we hope to have many community members attend.

PAC

Congratulations to the PAC for making it out to the craft fair to sell yummy treats and hot coffee on a crazy snowy weekend! Thanks also to all the families who baked and donated amazing, delicious treats for this school fundraiser.

Coupon Book Sales

The PAC is also selling the Comox Valley coupon books for \$10 each. The books have great coupons for valley businesses including restaurants, recreation centers and other attractions. They are a fantastic value and you will get your money's worth after only using one or two coupons. The books would also make a super little gift. If you would like a book or a few books, send the school an etransfer with "coupon book" in the notes and we will send them home with your child. They will also be available at the winter concert.

Clothing for Haiti can still be sent in tomorrow morning and the box will be picked up at the end of the day.

Salad Bar

This week's soup is butternut bacon and creamy butternut for vegetarians. Last week's chicken noodle/veggie noodle was very popular, and it was great to see some kids trying the soup for the first time.

Family Pancake Breakfast on Friday, Dec 16th.

All families are invited for a wonderful Pancakes and Pajamas Breakfast together in the gym on the last day of school before the break. We will be serving from 8:45 – 10am. If you are

planning on joining us for this event, please go to the gym at 8:45 and wait for your child's class to arrive. We will have a few sing-a-longs at the end if you want to bring an instrument to jam.

Entrepreneur Fair

Division 3 is having their very special Entrepreneur Fair on Thursday, Dec 15th in the school gym. The entrepreneur fair is a wonderful program where students go through the process of research, design, creating a product and running a business on their own. Students create items to sell, and a portion of their profit must also be donated to a charity of their choice. It is a fantastic learning opportunity for students. Div. 1 and 2 Students will be able to visit the craft sale between 11-11:45 and parents and community members will be able to visit the sale from 11:45-12:45. Most items are between \$1-\$5 each. Visitors, please sign in at the office before heading down to the gym.

Have a great week!

Yolanda Lehton, Vice-Principal
