

Week At A Glance Jan 29, 2023

Hi Denman Families,

Literacy Week was fantastic! We had such a great time with our guests on Tuesday studying cooking with Fanny, Robotics with Ms. Lowe and Orienteering with Ms. Lehton. Wednesday, we shared Indigenous literature with Heather and Thursday was a very well attended Books at Bedtime event. I know Friday was a highlight for many students with the excitement of wearing pajamas and reading books at random times during the day. Thank-you very much to the staff and volunteers who helped to make this week such a success.

It is Kindergarten Registration time again! If you have a child or know a family with a child who will turn 5 by December 31st 2023, they are eligible to register for Kindergarten now for school starting this coming September. It is important to register early as many other aspects of school planning is based on kindergarten enrolment numbers. I have included the link for more information and to register here and if you know another family who would like to register, they can check out the Comox Valley Schools website comoxvalleyschools.ca

The PAC meeting on Monday was well attended, and minutes will be posted on the school website shortly. The next meeting will start a bit earlier at 4pm -5:30 on Monday, Feb 27th.

Our picnic tables are here and should be out in the outdoor classroom space shortly. The tables are a great addition to the outdoor classroom and I am looking forward to seeing classes using the space even more now. Thank you very much to the two families who donated the tables and cedar rounds.

This week's salad bar will be a vegetarian chili with many yummy toppings including tortilla chips, cheese and guacamole.

Have a great week!
Yolanda Lehton, Vice-Principal
