

Week At A Glance June 11, 2023

Hi Denman Families,

Thank goodness for a little rain! It was nice to know the garden and forest had a little drink. Due to the heat, we had to make a few changes and postpone our plans to have the salmon smoking event from this week to the fall. Please make sure to pack a lunch for your student on Wednesday.

Tuesday is our last student-led conference date. Students are excited to share their learning with you from the year. The times are 1-1:30, 1:30-2 and 2-2:30. Make sure to email [denman@sd71.bc.ca](mailto:denman@sd71.bc.ca) if you have not signed up for a time yet. We are looking forward to seeing you.

**Salad bar** Last week we had a school favorite of soft tacos! This week Div 1 and 2 will have grilled cheese sandwiches with bread from the guesthouse.

**Garden Collaborative:** We planted some new flowers, and some veggie starts that were donated by community members. The daily watering is fun, and it is great to watch the plants grow. We will be looking for some volunteers to help with watering over the summer. If you are interested in helping us out, please contact the school or Sadie at DICES and we will make a schedule. As usual, we will be in the garden during the day Wednesday and welcome garden party volunteers from 1-3:30pm

**Upcoming field trips:**

**Div 3 Victoria trip Thursday, June 15- Friday June 16**

**School Field trip to Hornby School – Wednesday June 21<sup>st</sup> – National Indigenous People's Day**

Have a great week!

Yolanda Lehton, Vice-Principal
