

Week At A Glance May 29, 2023

Hi Denman Families,

I love seeing all the students wearing hats at recess and lunch! Great job staying sun safe! Next challenge is shoes... students need to have shoes on at all times while at school especially when playing outside. Cuts, scrapes and stings on the feet are not fun while at school. We are looking at another beautiful week of weather for outdoor learning!

Salad bar this week is creamy chicken soup and veggie vegetarian soup. Thanks to all the parents who have volunteered for our special lunches, they are going to be great!

Garden Collaborative: The Three Sister's Garden has been planted and 4 of the 6 garden beds are filled with soil and ready for planting. This week we are working on a watering schedule, weed eating/mowing the tall grass and planting the new roses in our flower garden. We will be in the garden during the day Wednesday and welcome garden party volunteers at 1-3:30pm

Upcoming field trips:

Div 3 – Tuesday May 30th – Indigenous focus field trip - Exploring the Kelp Habitat restoration project, visit Norris Rocks to see the seals/sea lions by boat with Hornby Island Diving. We will then head Fillongley to learn about a traditional Komox settlement area. This is a very special field trip as we will have archeologist Jesse Morin with us for the day.

June 1 – Gr 7 Try A Trade at Sandwick School in Courtenay - One parent driver needed 4-5 passenger

June 9 – Gr 7 Vanier Transition Visit - One parent driver needed 4-5 passenger

School Field trip to Hornby School – Wednesday June 21st – National Indigenous People's Day

Happy Spring!

Yolanda Lehton, Vice-Principal
