

Denman Weekly Newsletter

January 16, 2026

Dear Families,

Thank you for your patience with the bus schedule this week. The link to the instructions to download the bus tracking app is included in this newsletter. We have been outside in all sorts of weather this week-wind, rain, a little fog, and some warm sunshine-playing 4-square, soccer, tag games, building bridges over very large puddles, sketching, reading books, and creating forts by the trees.

Have a lovely weekend, Karla

Thank you to Division 3 for all
your creative ideas for our school

A Conversation for Families About Digital Wellbeing and Mental Health

As parents, we struggle with balancing our children's time spent in the digital world and what we consider the real world. It's not easy to know how much time spent on technology is too much, and how to set boundaries that don't create conflict. Learn from Dr. Kristy Goodwin, Digital Wellbeing and productivity researcher, speaker, author and consultant.
