

Denman Weekly Newsletter

January 23, 2026

It was hard to tell who was a teacher and who was a student on Spirit Day, lots of fabulous interpretations! Next week we have two special presenters. On Thursday Div. 3 will have the opportunity to learn about kelp beds, thanks to ADIMS for sharing your expertise and time with us. On Friday, past Denman student Lucy Dabbs will show her stop motion animated film ,The Plastic Problem, and will share some of her skills and talents with all of us. Lucy's film has won a number of awards and has been accepted into four film festivals.

Outside

Inside

Muddy shoes equals dirty floors, particularly in the gym.

Every student needs a clean pair of indoor shoes at school that are appropriate for physical education. Students will be asked to change into clean shoes when they come into school

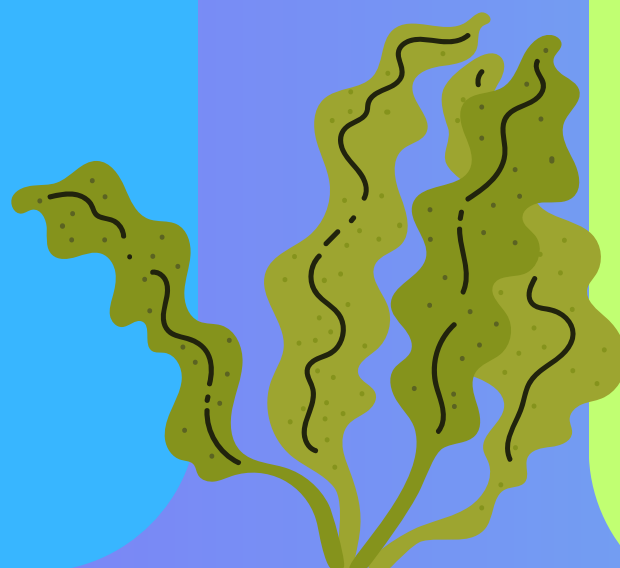

Thank you for your help with this!

PAC

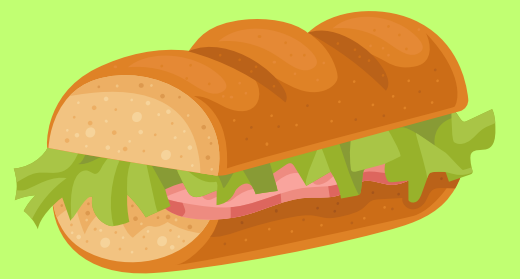

Parent Advisory Council

Denman Dragon hoodies and t-shirts are available for purchase!

Next PAC meeting is Tuesday Feb. 10, 6:00 pm, in the school library. All parents of Denman students are welcome.

New Non-Instructional Day

Comox Valley Schools is advising families and staff that a **Non-Instructional Day** will take place on **Friday, May 15, 2026**, following a decision of the Board of Education.

At its recent meeting, the Board passed a motion confirming this Non-Instructional Day, which will be dedicated to Indigenous learning for all staff. On this day, students will not attend school, and staff will participate in professional learning activities.

This Non-Instructional Day aligns with provincial requirements under the School Calendar Regulation, which requires all school districts in British Columbia to include at least one non-instructional day each year focused on Indigenous student achievement and learning. The day is intended to provide dedicated time for staff to deepen understanding of Indigenous histories, cultures, and perspectives, and to support ongoing Truth and Reconciliation efforts within public education.

This learning also aligns with the Comox Valley Schools Strategic Plan, including commitments related to equity, relationships, and Indigenous education.

You can view the updated 2025-2026 District Calendar here:
