

Denman Weekly Newsletter

February 27, 2026

We all had such a wonderful time with our Massive Show and Tell, there were so many interesting things shared. Thank you so much for the support from home to make this such a successful experience. I think we may want to do this again.!

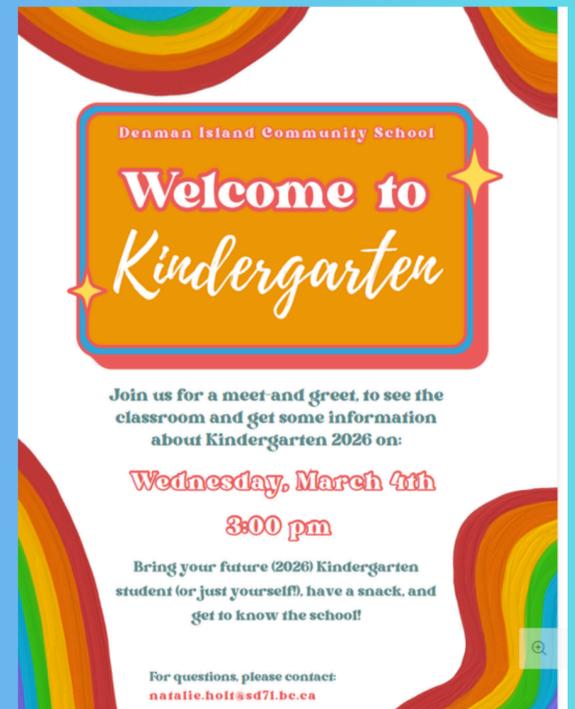

Spread the word if you know a family that might be interested in joining us in September for either Kindergarten (turning 5 this year) or our Blended Learning Program (K-7). We have two Welcoming Events next week to meet the teachers, visit the classrooms, and ask questions. Reach out to the school for more information.

We would love to see you at the next PAC meeting! Come with good ideas, share some appreciations and positive ideas, and help us work together to keep building on all the good things happening at our school.

TRIVIA NIGHT

Speaking of wonderful things happening, our fabulous Trivia Night is on the horizon! Create a team or come on your own, study up or take your chances, have some fun and lots of laughs.

Saturday March 14th, Doors at 5 pm,
Quiz starts at 6 pm

PAC

Parent Advisory Council

Next PAC meeting is **March 3rd, 5:30 p.m.**

in the school library. All parents of Denman students are welcome.

We would like to introduce to the families of Denman Community School a Private Facebook Group monitored by PAC executive team. This group has been created to support clear, positive, and respectful communication between the PAC and our Denman Community School families, as well as an information hub for upcoming events. This is a fully private group for families enrolled at the school for the current year. You will receive an invite through facebook to join the group and is only open to currently enrolled families.

We're so excited to see you in the group and look forward to staying connected and working together to support our students, school and community!

- The entire PAC Executive Team
