

Denman Weekly Newsletter

March 13, 2026

Andy the Musical Scientist was so much fun! We learned about sound waves and all the different ways you can make musical instruments from found items-like a hockey stick guitar and a balloon powered bagpipe.

Tonight is the fabulous musical event at the Hall to raise money for the skatepark and Saturday night is Trivia Night at the Hall. What two wonderful ways for the community to come together and support good things for all of us.

Have a lovely weekend!

DICES News

After school programs end next Friday for spring break, and will resume on Monday April 13 The link to registration for the 11 week spring session is coming to you in a separate email.

Hot lunches will resume on April 14, you will see a sign up for that coming out next week. Lunch is \$5 for students which is subsidized for all by the province and DICES fundraising and some parents who choose to pay it forward.

This bunny has been hanging out with us for a very long time. Do you know who may have lost their bunny? If we cannot find the bunny's home, we will give it a bath and a nice place to sit on our comfy chair.

Lost and Found

The students have all had a chance to take a look, do you recognize anything? Just let us know and we will send it home.

Trivia Night

Parent Advisory Council

Next PAC meeting is

Tuesday April 14, 5:30 p.m.

in the school library.

All parents of Denman students are welcome.

PAC Invitation

We would like to introduce to the families of Denman Community School a Private Facebook Group monitored by PAC executive team. This group has been created to support clear, positive, and respectful communication between the PAC and our Denman Community School families, as well as an information hub for upcoming events. This is a fully private group for families enrolled at the school for the current year. You will receive an invite through facebook to join the group and is only open to currently enrolled families.

We're so excited to see you in the group and look forward to staying connected and working together to support our students, school and community!

- The entire PAC Executive Team
