

Denman Weekly Newsletter

March 6, 2026

It's a beautiful sunny day, the herring have arrived, and we have two more weeks of school until Spring Break.

Maybe now is the time to order your Denman Dragon merch to celebrate all the good things coming from our wonderful school community. You can add an iron on to any free store find and create your own Denman Dragon Fashion Statement.

Speaking of Dragons, keep an eye out for the first issue of our student created school Newspaper. Can you guess the name of the newspaper? One day this will be a question for Trivia Night!

Trivia Night!!!

Come support the Denman students and have some fun!!! Bring a team or come on your own. There's food and prizes and lots of trivia.

Parent Advisory Council

Next PAC meeting is

Tuesday April 14, 5:30 p.m.

in the school library. All parents of Denman students are welcome.

We would like to introduce to the families of Denman Community School a Private Facebook Group monitored by PAC executive team. This group has been created to support clear, positive, and respectful communication between the PAC and our Denman Community School families, as well as an information hub for upcoming events. This is a fully private group for families enrolled at the school for the current year. You will receive an invite through facebook to join the group and is only open to currently enrolled families.

We're so excited to see you in the group and look forward to staying connected and working together to support our students, school and community!

Andy the Musical Scientist

Andy has performed for hundreds of schools around the world, the Vancouver Children's Festival, Vancouver Folkfest, a Raffi album, and 3 CBC documentaries. With 40 year's experience studying music from various cultures (including a sitar scholarship to India), he has performed with African and Indian ensembles, and the Children's Landfill Harmonic Recycled Orchestra of Paraguay. With Delhi2Dublin, he toured the world, performing for the prime minister, British royal family, BBC, and MTV India. Andy also performed in China's Forbidden City and the Early Learning Center in the Himalayan Kingdom of Bhutan to the sheer delight of the children and teachers!
