Rainbow Day

Thursday May 28

Another fun school spirit day created by the wonderful students in Division 3!

Dress like a rainbow, show off your favourite colour, have fun and be expressive.
Be your colourful self!

Virtual Author Visit - Kallie George

We are so lucky to have the amazing author **Kallie George** visit us via Zoom on **May 29th at 9:15am**. She will share how she was inspired to become an author, and empower and inspire students to read and write their own stories!

Parent Advisory Council Page

Next PAC meeting is Tuesday June 9 , 5:30 p.m.
in the school library.
All parents of Denman students are welcome.

PAC Invitation

We would like to introduce to the families of Denman Community School a Private Facebook Group monitored by PAC executive team. This group has been created to support clear, positive, and respectful communication between the PAC and our Denman Community School families, as well as an information hub for upcoming events. This is a fully private group for families enrolled at the school for the current year. You will receive an invite through facebook to join the group and is only open to currently enrolled families.

We're so excited to see you in the group and look forward to staying connected and working together to support our students, school and community!

- The entire PAC Executive Team
