Out of the Blue: Wedding of Wonder

Denman Island World Ocean Day

Students in Mr Farrow's class created fish puppets! We hope some of those makers will come and carry them as a 'school of fish' on Sunday in our procession for World Ocean Day!

We have extras for others to carry. So join us, if you can, at 10:30 at the Fillongley meadow Sunday June 7th
For more info call: Sussan Thomson 250-335-1134

Parent Advisory Council Page

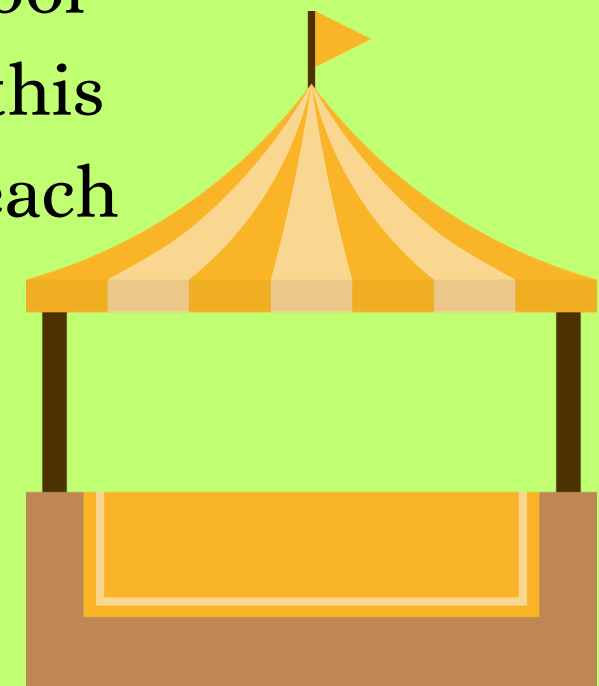

Next PAC meeting is Tuesday June 9 , 5:30 p.m.
in the school library.
All parents of Denman students are welcome.

The PAC is planning a

Fun Fair

to close out the 2025-2026 school year, and we need your help! The exact date is TBD, but the event will take place during the final week of school and will feature activity booths, a cake walk, lots of games, food and drinks, and general good times for the entire school community. If you'd like to volunteer to help put this event together or run a booth or activity, please reach

out to Lleilah Chernovsky at
lleilahchernovsky@gmail.com

Also, the PAC is working on a [legacy project](#) about our Community School, and we're seeking input from former and current school parents and students. If you'd like to share a special school memory or standout experiences from your child's time at DICS, please email us at

denmanpac2021@gmail.com
