## Reminders:

### Absences -

Please remember that Puntledge offers wonderful face to face learning opportunities for your children. We are not paper package/cookie cutter lesson teachers, so sending homework to complete during vacations or extended absences is not always possible. We are happy to supply journals and reading materials if you know your child will be away for more than a few days.

**Lost and Found:** With the cold mornings and warm recesses we have ended up with three full racks of jackets and sweaters. If your kiddo is missing something warm there is a good chance it is there. The lost and found is in the hallway in front of the gym.

**From the District:** School District #71 (Comox Valley) has a new accessibility committee which has been formed to meet the requirements of the Accessible BC Act and better serve the needs of our students, staff and community. We need feedback from all parties! We want to know what works well in terms of accessibility, and also where we can improve. Please follow this link for more information. <https://www.comoxvalleyschools.ca/accessibility-in-comox-valley-schools/>
