PAC Seeds Fundraiser

This year we are running a fundraiser with West Coast Seeds. We chose this fundraiser because we would like to promote a program that is environmentally friendly and promotes growing food.

Every packet of seeds that we sell will earn 40% for our school. West Coast Seeds provides Canada No 1 seeds that are untreated and non-GMO which means that it promotes sustainability. They have provided a wide range of their bestselling vegetables, herbs, and flowers, to give a little something for everyone.

All seeds can be ordered on the fundraising site :

<https://fundraising.westcoastseeds.com/collections/all>

Please ensure that you order from this site only, otherwise we will not earn the 40%. When you are ready to order, make your choices and add to the cart. Once you have completed your order, find our organisation (École Robb Road PAC) on the dropdown menu. Add in your details so that we can contact you when the orders are ready for pick up.

Our fundraiser will begin on January the 9th and run until February 10th. Please make sure to order by February 10th to avoid disappointment.
