"What a great way to save money and the environment AND keep my kids entertained. So glad for my membership here :)" - Caroline Gaudet

COMOX VALLEY TOY LIBRARY SOCIETY

WHY A TOY LIBRARY?

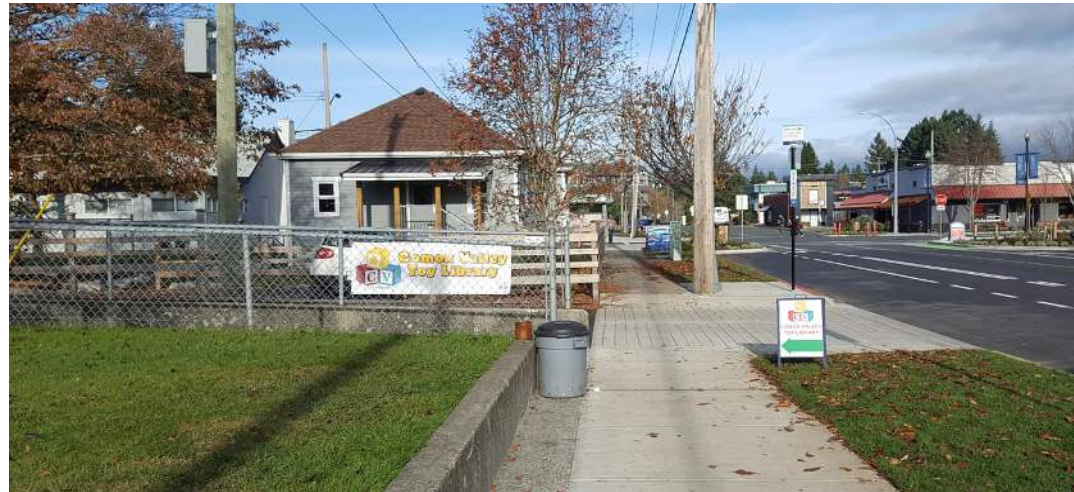

Children grow and change quickly, and they love novelty. Each new experience has new lessons and possibilities to offer. This means children get excited about new toys, play with them for while, then lose interest.

Families can spend a great deal of money for a house full of toys that take up space and end up sold at a garage sale, or worse, in the landfill.

The CVTLS takes the pressure off families and the environment by allowing members to borrow new toys every month.

Imagine only owning a few special toys, and having a constant supply of stimulating toys to play with for each stage of development!

Your home would be tidier, you would save money, and your children enjoy each trip to the toy library to choose a fresh batch of fun toys.

LOCATION

We are located at in the basement of St. George's United Church, 505 6th Street, Courtenay. Entrance off Fitzgerald, down the ramp on the right side of the building.

HOW CAN I GET INVOLVED?
