You will need your child's Picture Day ID (found on your flyer or Portrait ID found on your proof sheet), or their school student ID (you must obtain this number through your child's school).

The screenshot shows a sign-in form with two tabs: "Picture Day ID" and "Student ID". The "Picture Day ID" tab is selected. Below the tabs, there is a text prompt: "Enter the Picture Day ID found on your flyer or Portrait ID found on your proof sheet." Below this is a text input field containing the placeholder text "Picture Day ID or Portrait ID". At the bottom of the form is a blue "Start Order" button.
