The RR Weekly – April 15-19

Dear Robb Road Families,

Here are a few items to consider:

1. Town of Comox Parks and Trails Survey – The Town of Comox is soliciting feedback on its parks and trails system. For more information and survey: <https://engagecomoxvalley.ca/comoxparks>

2. Parking Around Robb Road – Please be mindful of where you are parking around the school at pick up and drop off. We get weekly phone calls from neighbours of cars blocking driveways and parking in No Parking zones. The area between Sable Place and the west school parking entrance will soon be changed to a No Stopping zone to help prevent cars parking there and creating potentially unsafe conditions as cars weave around them. We've noticed ample parking and drop off spots along Robb Avenue, past the school heading west toward Anderton.

3. Water Bottle – Please ensure your child has a water bottle at school. Labelled would be even better! We are handing out hundreds of cups weekly and it is becoming unsustainable.
