The RR Weekly – November 17th – 21st

Dear Robb Road Families,

Please remember to sign up for parent-teacher conferences this week. These conversations are an important part of communicating student learning. If a meeting time does not work for you on the 20th, your classroom teacher will try to find an alternative 15 minute time slot at your mutual convenience.

Here are a few Robb Road highlights this week:

1. Parent/Teacher Interviews – Thursday, November 20th is parent/teacher interview day and there is no school for students. The link to book your appointment is included below. Please ensure you are selecting your child(ren)'s correct teacher(s) from the drop-down list when booking your appointment (and not the default 'Anyone' button). You will also see these instructions when you open the link. All meetings are in person at the school.

2. Lost and Found – The lost and found area is overflowing with items collected from outside, the gym, the library, hallways, etc.... Here is a [video](#) of the various hoodies, sweatshirts, jackets, water bottles, hats.... If you recognize something that belongs to your child, please either have them collect it from the lost and found or email me and the item will be reunited with the owner.

* **The Elf Exchange is Back!** We're excited to announce that our [Elf Exchange](#) store will be returning this year! The Elf Exchange gives students the chance to purchase gifts for family members while helping raise funds for our playground. We're seeking donations of new or gently used items to stock the store—popular choices last year included jewelry, coffee mugs, books, board games, and toys. A collection box is located near the school office for your donations. Thank you for helping make this holiday event a success!

11. Non-Instructional Day May 15th - A new Non-Instructional Day focused on Indigenous Learning will take place on Friday, May 15, 2026. On this day, teachers and staff will engage in professional learning centred on Indigenous histories, cultures, and ways of knowing. This initiative reflects the district's Truth and Reconciliation Commitment and aligns with Design Principles in our Strategic Plan. The addition follows a change to the provincial school calendar regulations, which now require all school districts to dedicate one professional learning day each year to advancing Indigenous student success and strengthening understanding of Indigenous perspectives.
