**Principal’s Report:**

The bursary committee met and chose the bursary recipients. All students who applied received something this year.

The school nurse, Lindsay, has returned from providing vaccinations in the community.

Some of our students have asked for naloxone training, due to the ongoing opioid epidemic. The overdose numbers are high right now. Kelsea has organized a naloxone training for students tomorrow and Friday.

Murray has registered 2 new students this week. One is a returning student, and the other is a new student.

Interviews for the principalship at GV occurred today.

We had a COVID exposure in the district at Highland Secondary. Island Health has asked 31 students to stay home to self-isolate.

Backpack buddy program has expanded from 10 bags to 18 bags.

#### Grad:

There are 33 students scheduled to graduate. There might be a couple that might not finish in time. Rain Warling was elected this year as the Valedictorian. We have 8 students fully graduated, 14 are between 80-99% complete.

It will be an outdoor ceremony again this year. It will take place on June 24 at 1:00pm. This year students will be able to stay parked in their cars, and families will get out of their cars and walk to the stage when called.

#### **Environment Club:**

Students are enjoying spending time in the garden and this club is giving some students a place to interact with others through a common interest. Students have planted a variety of vegetables, and we will have the irrigation system installed in the coming weeks.

Adjournment: 7:30 pm
