Applicants Name \_\_\_\_\_

Age \_\_\_\_\_ Phone \_\_\_\_\_ Email \_\_\_\_\_

Mailing Address \_\_\_\_\_

Hakai Energy will base the Bursary award on the academic performance, letter of introduction, recommendation, resume and any other pertinent information. The Bursary applicant will be awarded on their hard work and dedication within their high school career. This is an opportunity to express how you have prepared yourself for the next step in your academic career and how you chose to pursue post secondary studies in engineering or technology in the field of renewable energy.

Which post secondary institutions have you applied to and what program of study?

Post Secondary Institution	Program	Length of Program

Indicate your final marks in the following courses and your best three grade 12 marks from the last reporting period. You must give estimated marks for courses in progress (indicate with an "ip" beside the grade. Required courses as indicated by GP Vanier.

Required Courses	Grade %	Grade 12 courses	Grade %
