Vanier Admin Report to PAC

January 2021

Term 2 is rapidly ending. Students are beginning to write their final assessments and present their final projects. January grads are wrapping up their Careers 12 and Capstone projects. Some sports teams have resumed – ski team, and basketball, with cohorts and learning groups being followed. Our Junior Leadership class have started a fundraising campaign for EDAS – Everyone Deserves a Smile and hope to raise \$1000 before the end of term.

We are continuing to move ahead with our partner groups for the Disc Golf holes behind the school, and the idea will be formally presented to the School Board next week. We are working with the Maintenance Department for the best site for the Bike Storage Building in front of the school, and the picnic tables have been poured at Sandwick. It takes 60 days for them to cure, and we hope to have them delivered by spring break.

February will be a busy month, with the start of term 3, and course selection for next year beginning. It's hard to believe we are days away from being halfway through this year!
