CRIMINAL RECORD CHECKS FOR COACHES AND PARENT VOLUNTEERS

Our district policy around criminal record checks has changed and moving forward, all volunteer parent drivers will need to have a criminal record check, not just coaches and chaperones. If you are planning to drive for a field trip or sporting event, please start the process asap.

PROVINCIAL ASSESSMENTS

Students must write three assessments in their graduation program – Numeracy 10, Literacy 10, and Literacy 12. In January, grade 10's who had an English or Math class in semester one were scheduled to write their numeracy or literacy assessments. Unfortunately, the ministry needed to cancel the session at the last minute, leaving us to reschedule the students for later in the year.

Grade 10's will now write their assessments using a Flex Day in June. Students with a last name starting with M-Z will write their assessments on June 15th. Students requiring extra time or supports will be contacted by our Learning Support Teachers to make arrangements to implement those supports, including possibly writing on different days during the week of June 13th – 17th. Any grade 11 or 12 students who missed their assessment should see Ms. Oddleifson in the office to be schedule for June as soon as possible.

Assessments can't really be studied for; however it is possible to prepare for the assessment. The ministry has sample questions and tests available here - [Click Here](#)
