Return your book to the library!!

Careers/Capstone

Numeracy/Literacy Assessment

30 Hours Volunteer or Paid Work Experience

80 Graduation Credits Completed

All athletic jerseys/uniforms MUST be handed in or a fee may be applied.

PROVINCIAL ASSESSMENTS

Students must write three assessments in their graduation program – Numeracy 10, Literacy 10, and Literacy 12. In January, grade 10's who had an English or Math class in semester one were scheduled to write their numeracy or literacy assessments. Unfortunately, the ministry needed to cancel the session at the last minute, leaving us to reschedule the students for later in the year.

Grade 10's will now write their assessments using a Flex Day in June. Students with a last name starting with M-Z will write their assessments on June 15th. Students requiring extra time or supports will be contacted by our Learning Support Teachers to make arrangements to implement those supports, including possibly writing on different days during the week of June 13th – 17th. Any grade 11 or 12 students who missed their assessment should see Ms. Oddleifson in the office to be schedule for June as soon as possible.

Assessments can't really be studied for; however it is possible to prepare for the assessment. The ministry has sample questions and tests available here - [Click Here](#)

SD71 School Emergency Program Guide

For Parents and Guardians

Emergency situations can happen at any time and as a school, we have protocols we follow to keep our students safe. Please take a look at the SD71 School Emergency Program Guide for Parents and Guardians [click here](#) to see what our different procedures for situations like evacuation and dismissal look like.

For example:

Did you know that in an emergency when dismissal occurs your child can only be signed out in person and to a parent or emergency contact on file at the school? Valid ID is required.

Did you know that calling your child's cell phone during an emergency may be putting them at higher risk by disclosing their location or drawing attention to them during a lock down?

To our graduating students, congratulations, and here's to your next adventure!

To our returning students, have a wonderful, relaxing summer and we look forward to seeing you in September! More information will be coming out in late August by email and posted to our website.
